What our users say

N. Adjoa

Excellent, excellent service by Alex. Great service...very detailed. Went to the hardware store quickly to buy a part and did an excellent job. Thank you Keepe for your scheduling and follow up, and thank you Alex. Highly recommend Keepe for any appliance service and repair 100%

M Armstrong

The technicians arrived early, were very efficient & completed the repairs in a timely manner. It was very easy to set my appointment through Keepe & was kept alerted to any needed information. I was very pleased in total with my experience

The technician Mr. Mohammad is out of this world great job and respectful, friendly and clean up himself. He got the work done and it look good not ask for a better person to work on my equipment request that if anything goes wrong with my equipment down the road, that he is the only person I would like to have back to my home. Thanks Keepe
